

# Could You Be Loved

**Bob Marley & The Wailers**

Could you be loved, and be loved? Could you be loved, and be loved

Don't let them fool you, or even try to school you, oh no!

We've got a mind of our own,

so go to hell if what you're thinking is not right.

Love would never leave us alone,

in the darkness there must come out the light.

Could you be loved, and be loved? Could you be loved, and be loved?

The road of life is rocky, and you may stumble too.

So while you point your fingers, someone else is judging you.

Could you be, could you be, could you be loved?

Could you be, could you be loved? (opakovat)

Don't let them change you, or even rearrange you. Oh, no!

We've got a life to live, they say only, only,

only the fittest of the fittest shall survive, stay alive.

Could you be loved and be loved? Could you be loved, and be loved?

You ain't gonna miss your water, until your well runs dry.

No matter how you treat him, the man will never be satisfied.

Could you be, could you be, could you be loved?

Could you be, could you be loved? (opakovat)

Say something, say something, say something, say something.....
