

I Need You

Bob Marley & The Wailers

Since the day I lost you girl
I just can't face the world
I'm kind of feeling kind of small
I let you go one day
but now I'm ashamed to say
I said oh baby I need you
I need your loving
well I need, said I need
I need you right by my side
I lost my day
I know I must have said
a lot of things to make you cry
I made myself a lonely man
but now I have come to understand
I said oh baby I need you
I never need no one
like I need you girl
