

Mellow Mood

Bob Marley & The Wailers

I'll play your fav'rite song, darlin'.
We can rock it all night long, darlin'.
'Cause I've got love, darlin',
Love, sweet love, darlin'.

Mellow mood has got me,
So let the music rock me.
'Cause I've got love, darlin'.
Love, sweet love, darlin'.

Quiet is the night,
Please turn off your light.
I'll play your fav'rite song, darlin'.
We can rock it all night long, darlin'.
Cause I've got love, darlin'
Love, sweet love, darlin'

Strike the hammer while the iron is hot.
Strike the hammer while the iron is hot.
Strike the hammer while the iron is hot.
Open up your heart.
Open up your heart.
Let love come running in, darlin',
Love, sweet love, darlin'.
Love, sweet my love, darlin'.

I play your favorite song, darlin'
We can rock it all night long, darlin'
Cause I've got love, darlin'
Love sweet love, darlin'
