

No Woman, No Cry

Bob Marley & The Wailers

R: No woman no cry
No woman no cry (2x)

1. Said, said
Said I remember when we used to sit
In the government yard in Trenchtown
Oba, oba serving the hypocrites
as they would
Mingle with the good people we meet
Good friends we had, good friends we've
lost along the way
In this bright future, you can't forget
your past
So dry your tears I say

R: No woman no cry
No woman no cry (2x)
Here little darlin',
don't shed no tears

2. Said,
Said I remember, when we used to sit
In the government yard in Trenchtown
And the Georgie would make it firelight
Ad it was a logwood burnin' through the night
Then we would cook cook corn meal porridge
Oh which I'll share with you
My feet is my only carriage
So I've got you push on through,
but while I'm gone I mean...

Ev'rything's gonna be all right
Ev'rything's gonna be all right
Ev'rything's gonna be all right so...
