

# She's Gone

Bob Marley & The Wailers

My woman is gone (woman is gone), my woman is gone (woman is gone).

She had left me a note hanging on my door:  
She say she couldn't take it, she couldn't take any more.  
The pressure around me - just couldn't see;  
She felt like a prisoner who needs to be free.  
Fools have tried, yeah - wisemen have failed:  
Oh, listen to me, honey: life could never be another jail.  
Still we know now: we'll never see smoke without fire  
And everyone you see has a heart desire.

She's gone (she's gone), she's gone (she's gone),  
She's gone (she's gone), she's gone, ye-ah!  
Oh, mocking bird, have you ever heard,  
Words that I never heard?  
Oh, mocking bird, have you ever heard,  
Words that I never heard?

She made it through the exit (she just couldn't take it);  
She made it through the exit (she just couldn't make it).  
And, oh, my children, if you see me cryin':  
My woman is gone.  
If you see me - if you see me - if you see me -  
If you see me cryin' -  
If you see me - if you see me - if you see me -  
If you see me cryin':

She's gone (she's gone), she's gone (she's gone), she's gone, ye-ah!  
Oh, mocking bird, have you ever heard,  
Words that I never heard?  
Oh, mocking bird, have you ever heard,  
Words that I never heard?  
She's gone (she's gone), she's gone (she's gone), she's gone  
(she's gone)
