

Soul Almighty

Bob Marley & The Wailers

Hey happy people, this here is something new
I know you're gonna like it
So let me tell you what we're gonna do
Souls almighty [uh]
Don't you know we got the rhythm
Souls almighty [oh]
We are willing
Funky, Funky Chicken [ooh]
And the Mashed Potato
Do the Alligator
Let's do it together
Souls almighty
Do you dig me ya'll
Souls almighty, my soul is raw
[ooh-ee yeah]
Get yourself together
In any kind of weather
Things will be mighty better
If you get it together [witness]
Souls almighty [ooh]
Don't you know we got the rhythm
Souls almighty [exactly when baby]
[You're not with him]
Get yourself, yourself together
In any kind of weather [I'll come home baby]
Things will be mighty better
If we, if we get it together
Souls, don't you know we got the rhythm
Hit it brother
Souls Almighty
O' baby, when you're not with him
Funky, Funky Chicken
And the Mashed Potato [oh]
Do the Alligator
Do it together ya'll [uh]
Shocks of [mighty]
Souls and shocks, souls and shocks
We got, we got, we got the rhythm
Sing your song brother
My baby's with him, ooh
Get yourself together
In any kind of weather
Things will be mighty better
