

Soul Shakedown Party

Bob Marley & The Wailers

We gonna have a soul shakedown party tonight
We gonna have a soul shakedown party tonight

The way you love me
It's all right
When you put your lovin' arms around me
And you hold me tight
(hold me tight)

This is my invitation
I've got the special vacation
I need your concentration
Just to feel your vibration

(At that) soul shakedown party tonight
We gonna have a soul shakedown party tonight

Jane is in the backyard
Doing the outside dance

From telling me the other day
She didn't even get a chance

But this is my invitation
I've got the special vacation
I need your concentration
Just to feel your vibration

Baby I need you tonight
We gonna have a soul shakedown party tonight

The way you love me
It's all right
When you put your lovin' arms around me
And you hold me tight
(Hold me tight)
This is my invitation
I've got the special vacation
I need your concentration
Just to feel your vibration

(At that) soul shakedown party tonight
We gonna have a soul shakedown party tonight
