

Always Tomorrow

Bob Mould

Trapped, silver blue
Plans, utterance
Crashed, turn away
Fate, suffocate

Doesn't matter how hard I try
Doesn't matter how much I look at you
Doesn't matter how much I say
It wouldn't register anyway

Walk away and I never say
You walk away and I never say
Walk away and I never say
Always tomorrow, yeah
Always tomorrow, yeah

Doesn't matter how hard I try
Doesn't matter how much I look at you
Doesn't matter how much I say
It wouldn't register anyway

Walk away and I never say
You walk away and I never say
Walk away and I never say
Always tomorrow, yeah
Always tomorrow, yeah

Always tomorrow, yeah
Always tomorrow, yeah

Walk away and I never say
You walk away and I never say
Walk away and I never say
Always tomorrow, yeah
