

# Disappointed

Bob Mould

Well I'm sorry you're disappointed  
But times they change and so did i  
Standing still and getting nowhere quicker  
Well it seems I didn't have to try  
But now I've found a reason to move on  
And you won't miss me much now that I'm gone  
You don't seem disappointed

The three years I went to college  
Didn't make much of a difference to me  
Made me feel so safe I didn't have to think  
About the things I really wanna be

So don't get caught up in that trap  
They'll make you feel like you've been trapped  
Into owing them your gratitude  
And all the other platitudes  
That make you feel important when you go  
But now I've found a reason to move on  
And you won't miss me much now that I'm gone  
You don't seem disappointed

'cause when you're gone, somebody else will come along and take  
your place  
It doesn't make me feel any less a member of the human race  
This ain't no race

Well I'm sorry you're disappointed  
But I don't feel that way today  
I am free from all the crazy games you played  
I am free from all the things you say  
And I don't mean to make a mockery of the things  
You thought I'd say when I left, but I'm not disappointed

And if I felt the urge to say you're wrong  
Well, I just hold the words inside and laugh  
And you'd be disappointed  
So disappointed  
So disappointed
