

## Spinning Reel

Bob Rivers

Rod goes up  
Line goes out  
Spinning reel  
Fishing for trout  
Casting toward the bubbles and you reel it in  
Hook a speckled rainbow watch the spinning reel spin

You got no income and your  
Your wife left home  
Spinning reel  
Is all you own  
Bummed a couple quarters for a half a dozen worms  
Land a native brook-ie watch that spinning reel burn

Never mind the no fishing sign  
On the gate across the pathway  
You will find that the fishing's fine  
It is Miller Time  
Let out your line  
'til something  
Starts wiggling  
On your reel

Game Warden's waiting  
Just for you  
Spinning lights  
Flashing blue  
Drop all your tackle by the riverside  
Toss your home made rod and let the spinning reel fly
