

## Lorena

Bob Schneider

They're gonna put you out in the streets, Lorena  
They're gonna dance upon your grave  
They're gonna lock up your heart and throw away the key  
So you better watch out honey how you behave

Now you can run around forever  
Inside that big ole head of yours  
But your gonna find the answers aren't easy  
But you ain't ever gonna know for sure

They're gonna put you out in the streets, Lorena  
One day they're gonna come after you  
They're gonna tie you right down to the table  
They're gonna make all your nightmares come true

'Cause you can't get away with nothing  
Your conscience gonna give you away  
You can't play with fire forever  
Yeah and not get burnt they say

They're gonna put you out in the streets, Lorena  
Those demons you keep locked away  
All them shiny skeletons in your closet  
Gonna break free and get you one day

Oh and I'd like to be there when it happens  
Oh, I've got my own demons too you know  
Oh, I'd like to be their baby  
'Cause mine got me a long time ago

They're gonna put you out in the streets Lorena  
They're gonna sing and dance upon your grave  
They're gonna lock up your heart and throw away the key  
You better watch it believe you me

Lorena, believe me, Lorena  
For leaving me, Lorena
