

Metal & Steel

Bob Schneider

I am metal and I am steel
I don't mind 'cause I can't feel a thing, I'm a diamond ring
I'm not flesh and I'm not bone
I'm not sad and I'm not all alone, I'm a stone

The king is dead and the queen has flown
Left me here in the twilight zone
Lost and lookin' for a way to get back home

But there's no right and there's no wrong
And I'll be good and I'll be strong

I'll be silver and I'll be gold
Without a heart without even a soul, I'll be coal
I won't be blood and teeth and skin
And I won't feel the pain I'm in, I'll be tin, no heart within

The king is dead and the queen has flown
Left me here in the twilight zone
Lost and lookin' for a way to get back home

But there's no right and there's no wrong
And I'll be good and I'll be strong

The king is dead and the queen has flown
Left me here in the twilight zone
Lost and lookin' for a way to get back home

But there's no right and there's no wrong
So I'll be good and I'll be strong

I'll be metal and I'll be steel
And I won't mind as I won't feel a thing
