## **Piggyback**

## **Bob Schneider**

I read about a guy when he was 23 years old stood there three feet tall man that's pretty small

but then he grew to over 7 foot 4 where he found he just couldn't walk no more

and mama had to go away but daddy says i'll see her again one day soon when we go to heaven

and daddy had a hook where his hand used to be he said that hand weren't no good for me anyway

all i want's a piggyback ride to get to the other side of this big beautiful world, sleep on a big beautiful bed with beautiful coulds inside my head

for 30 hours
and 15 minutes
jimmy kissed his girl
in front of the whole wide world

on national tv that's a long time not to drink or eat or take a pee

all i wants a piggyback ride to get to the other side of this beautiful workd sleep in a big beautiful bed with beautiful clouds inside my head
