

Side Show Tornado

Bob Schneider

I got a shattered heart membrane
I got hair on end
In a sea of strangers
And I'm my only friend

The bottom of the barrel
Empty bottle in my hand
I'm all ears baby
I'm an invisible man

Why'd you go?
Why'd you go?

I got a million dollar headache
I got a thermal smile
I'm a sideshow tornado
I'll only stay for a while

I got a hole in my heart
I gotta get out of town
I'm a truckload of trouble
I ain't fucking around

So why'd you go?
Why'd you go?
So why'd you go
And leave me here all alone?

I got a drink special hairdo
I got a grandfather stare
I got a cop in my rear view
That I wish wasn't there

I got too much damn free time
I got nowhere to hide
I'm a hotbed of hormones
I'm frozen inside

So why'd you go?
So why'd you go?
Why'd you go
And leave me here all alone?
