## **Against the Wind**

It seems like yesterday But it was long ago Janey was lovely, She was the queen of my nights There in the darkness With the radio playIng low And the secrets that we shared The mountains that we moved Caught like a wildfire out of control Till there was nothing left to burn And nothing left to prove

And I remember what she said to me How she swore that it never would end I remember how she held me oh so tight Wish I didnt know now what I didnt know then

Against the wind We were runnin against the wind We were young and strong, we were runnin Against the wind

And the years rolled slowly past And I found myself alone Surrounded by stranners I thought were my friends I found myself further And further from my home And I guess I lost my way There were oh so many roads I was living to run and running to live Never worried about paying Or even how much I owed Moving eight miles a minute for months at a time Breaking all of the rules that would bend

I began to find myself searchin Searching for shelter again and again Against the wind A little something against the wind I found myself seeking shelter against the wind

Well those drifters days are past me now Ive got so much more to think about Deadlines and commitments What to leave in, what to leave out

Against the wind Im still runnin against the wind Well Im older now and still Against the wind **Bob Seger**
