

# Hey Gypsy

Bob Seger

Hey gypsy where you gonna go  
Hey gypsy where you gonna go  
I am tired of this waitin'  
I ain't gonna wait no more

Hey mama I'm your baby boy  
Hey mama I'm your baby boy  
Lets head on home  
I'll give you your favorite toy

We've been all over town  
Chasin' the crowds  
I'm getting kinda nervous cause the  
music's too loud

Hey Gypsy where we gonna be  
This hard love livin'  
It's gettin' too much for me

You keep on pushin' me around the clock  
I keep on fallin' and I can't get up  
You know I love you but enough's enough  
You move too fast girl you play too rough

Hey gypsy here we are again  
Hey gypsy I'm your only friend  
You can treat me bad mama  
You'll never get another again
