

# Maybe Today

Bob Seger

Maybe today  
Maybe today you'll find your love  
Maybe tonight  
You'll find the one you're dreamin' of

Maybe it's time, maybe today  
You're gonna find your way  
Maybe he's here, maybe she's here  
Maybe this is your day

Maybe today  
Maybe someone will touch your heart  
Maybe tonight  
Maybe you're life will finally start

Maybe tonight  
Just one more smile  
And you'll be on your way  
Open your eyes  
Open your heart  
Maybe this is your day

Maybe today  
You'll never know until you try
