

# Shakedown

Bob Seger

No matter what you think you've done  
You'll find it's not enough  
No matter what you think you know  
You won't get through  
It's a given, L.A. law Someone's faster on the draw  
No matter where you hide  
I'm comin' after you  
Now matter how the race is won  
It always ends the same  
Another room without a view  
Awaits downtown

You can shake me for a while  
Live it up in style  
No matter what you do  
I'm comin' after you

Shakedown, breakdown, takedown  
Everybody wants into the crowded light  
Breakdown, takedown, your busted

Let down, your guard, honey  
Just about the time you think that it's alright

Breakdown, takedown, your busted  
This is a town where everyone  
Is reaching for the top  
This is a place where sceond best will never do  
It's O.K. to want to shine  
But once you step across that line  
No matter where you hide  
I'm comin after you

Shakedown, breakdown, takedown  
Everybody wants into the crowded light  
Breakdown, takedown, your busted  
Shakedown, beakdown, honey  
Just about the time you think that it's alright  
Breakdown, takedown, your busted
