Shinin' Brightly

Well, it's shinin' brightly It's lookin' pretty right From the early morning Till real real late at night It's lookin'pretty good today The dark clouds are rollin' away Oh and it's shinin' brightly And I think it's gonna be okay Well, it's startin' to feet good again You and me Startin'to feel real good lady Just the way it used to be Futures lookin' good at last Rough times are all in the post Oh and it's shinin' brightly And I think it's gonna last I think it's gonna last Oh yeah Well, it's shinin' brightly I don't think there's too much doubt This time baby I think we got it all worked out Lookin' pretty good today The dark clouds are rollin' away And it's shinin' brightly I think we're on our way Its a nice change Feeling pretty good at last Rough times are all in the post Oh, and its shinin' brightly I think its gonna last Oh, it's gonna be okay Okay
