

# Sometimes

Bob Seger

Sometimes you're far away.  
Sometimes you just don't hear  
A single word I say.  
Sometimes you just don't care,  
Sometimes you just don't care, at all.

Sometimes I don't know why,  
Sometimes I don't know why.  
Sometimes I don't know why  
I love you, sometimes.  
You never look at me,  
You're always somewhere else.  
We might be all alone  
But you're all by yourself.  
You tell me that you're tired,  
You tell me that you're tired  
And that's all.

Sometimes I think I'll leave,  
You wouldn't miss me much.  
And then you take my hand,  
Ooh, and then I feel your touch.  
Suddenly I know,  
Yeah, suddenly I know  
Why I'm here.
