Ha ha ha ha
Ladies lets make love on the dance floor

I wanna feel
I wanna hold
I wanna touch your body
I wanna give you all my tender loving tonight
I wanna feel
I wanna hold
I wanna touch your body
And show you sweet love
And hold you real tight

Sexy Cutie the type that suit me
Got me stunned by her natural beauty
Gettin by so she can't refuse me
Lyrical excuse so she start pursuing me
She tell me
Oh She don't want to lose me
Your a sweet talker just start seducing me
You be the samauri show me
See that booty, loving you is my duty

Girl I like your style
Just the way you dressed up against over there
Love how your beautiful
Your beautiful smile makes you so appealing
Girl your driving me wild
Can't wait till we embark on memory of a feeling
Girl I can't hide my feelings
So revealing, my heart is up for stealing

I wanna feel
I wanna hold
I wanna touch your body
I wanna give you all my tender loving tonight
I wanna feel
I wanna hold
I wanna touch your body
And show you sweet love
And hold you really tight

I wanna feel
I wanna hold
I wanna touch your body
I wanna give you all my tender loving tonight
I wanna feel
I wanna hold
I wanna touch your body
And show you sweet love
And hold you real tight

Beautiful and so devoting
Hard to get used to the consolidating
Wind so uplifting like I'm floating

Wonderful words with luck I'm quoting
Girl astare what I'm promoting
Can't pass my word without touching a groping
Girl I feel like eloping
Yes I'm hoping, come on honey let's go sloping

Girl I like your style
Just the way you dressed up against over there
Love how your beautiful
Your beautiful smile makes you so appealing
Girl your driving me wild
Can't wait till we embark on memory of a feeling
Girl I can't hide my feelings
So revealing, my heart is up for stealing
