

Life

Bob Sinclar

Don't you wanna go with me
And sing my song? Hey hey, yeah
Come and sing my song
Come and sing my song
Come and sing my song

So sexy, go crazy, my baby
No maybe if you want me so sexy
Come and sing your song

You're so sexy, oh my baby
If you want me
Come and sing my song

Pretty young babe
Cost you nothing, take a chance
If you sing my song

I got something
If you want it, you can have it
If you sing my song

Hey sexy lady
Let's go crazy, ain't no maybe
If you sing my song

Sing my song, come on
Sing my song, come on
Sing my song, come on
Sing my song, come on

Sing my song, come on
Sing my song, come on
Sing my song, come on
Sing my song, come on

Give it to me
Give it to me
Give it to me
I want you too

Give it to me
Give it to me
Give it to me
Come show me

Give it to me
Give it to me
Give it to me
I want you too

Give it to me
Give it to me
Give it to me
Come on

Come on, it on, I work hard for

On a Saturday night
And our future looks so
Live your life

Music is in all of our eyes
Shining ride
Love each other all this night
And maybe your last night

Don't you wanna go with me?
You sing my song

Come and sing my song
Come and sing my song
Come and sing my song

You're so sexy, oh my baby
If you want me
Come and sing my song

Pretty young babe
Cost you nothing, take a chance
If you sing my song

I got something
If you want it, you can have it
If you sing my song

Hey sexy lady
Let's go crazy, ain't no maybe
If you sing my song

Give it to me
Give it to me
Give it to me
I want you too

Give it to me
Give it to me
Give it to me
Come show me

Give it to me
Give it to me
Give it to me
I want you too

Give it to me
Give it to me
Give it to me
Come on
