

# Life

Bob Sinclar

Don't you wanna go with me  
And sing my song? Hey hey, yeah  
Come and sing my song  
Come and sing my song  
Come and sing my song

So sexy, go crazy, my baby  
No maybe if you want me so sexy  
Come and sing your song

You're so sexy, oh my baby  
If you want me  
Come and sing my song

Pretty young babe  
Cost you nothing, take a chance  
If you sing my song

I got something  
If you want it, you can have it  
If you sing my song

Hey sexy lady  
Let's go crazy, ain't no maybe  
If you sing my song

Sing my song, come on  
Sing my song, come on  
Sing my song, come on  
Sing my song, come on

Sing my song, come on  
Sing my song, come on  
Sing my song, come on  
Sing my song, come on

Give it to me  
Give it to me  
Give it to me  
I want you too

Give it to me  
Give it to me  
Give it to me  
Come show me

Give it to me  
Give it to me  
Give it to me  
I want you too

Give it to me  
Give it to me  
Give it to me  
Come on

Come on, it on, I work hard for

On a Saturday night  
And our future looks so  
Live your life

Music is in all of our eyes  
Shining ride  
Love each other all this night  
And maybe your last night

Don't you wanna go with me?  
You sing my song

Come and sing my song  
Come and sing my song  
Come and sing my song

You're so sexy, oh my baby  
If you want me  
Come and sing my song

Pretty young babe  
Cost you nothing, take a chance  
If you sing my song

I got something  
If you want it, you can have it  
If you sing my song

Hey sexy lady  
Let's go crazy, ain't no maybe  
If you sing my song

Give it to me  
Give it to me  
Give it to me  
I want you too

Give it to me  
Give it to me  
Give it to me  
Come show me

Give it to me  
Give it to me  
Give it to me  
I want you too

Give it to me  
Give it to me  
Give it to me  
Come on
