

What A Wonderful World

Bob Sinclar

Imagine yourself
And everywhere you see there are people and the people are smiling
And everyone is having a good time
And the people are loving one another
Sharing with one another
Imagine a world where there is
Only peace, where there is no anger
Where there is no hate, where there is no war
Imagine a world that is full of nothing but love
And full of nothing but joy
This world is something that we need
Imagine!

What a wonderful, wonderful world
Imagine a world
With no color
everyone will respect one another
Imagine a life with no ending
Everyday will be a new beginning
A life that is happy and strong
Full of things that'll never go wrong
So come on let's hold, get together
And let's sing this song forever
What a wonderful world
Ohh yes
This will be
This will be
What a wonderful world
What a wonderful world
This will be
This will be
This will be
What a wonderful world
This will be
What a wonderful world
This will be
What a wonderful world
Oh yes
This will be
This will be

What a wonderful world
This will be, be, be, be
