Imagine yourself And everywhere you see there are people and the people are smil inq And everyone is having a good time And the people are loving one another Sharing with one another Imagine a world where there is Only peace, where there is no anger Where there is no hate, where there is no war Imagine a world that is full of nothing but love And full of nothing but joy This world is something that we need Imagine! What a wonderful, wonderful world Imagine a world With no color everyone will respect one another Imagine a life with no ending Everyday will be a new beginning A life that is happy and strong Full of things that'll never go wrong So come on let's hold, get together And let's sing this song forever What a wonderful world Ohh yes This will be This will be What a wonderful world What a wonderful world This will be This will be This will be What a wonderful world This will be What a wonderful world This will be What a wonderful world Oh yes This will be This will be
