

# World, Hold On

Bob Sinclar

Open up your heart, what do you feel  
Open up your heart, what do you feel is real, yeah  
The big bang may be a million years away, oh  
But I can't think of a better time to say

Look inside, you'll find a deeper love  
The kind that only comes from high above  
If you'll ever meet your inner child, don't cry, no, no  
Tell them everything is gonna be alright  
World, hold on instead of messing with our future  
Open up inside  
World, hold on, one day you will have to answer  
To the children of the sky

World, hold on, instead of messing with our future  
Tell me no more lies  
World, hold on, one day you will have to answer  
To the children of the sky

World, hold on instead of messing with our future  
Open up inside  
World, hold on, one day you will have to answer  
To the children of the sky

World, hold on, instead of messing with our future  
Tell me no more lies  
World, hold on, one day you will have to answer  
To the children of the sky

World, hold on instead of messing with our future  
Open up inside  
World, hold on, one day you will have to answer  
To the children of the sky

World, hold on, instead of messing with our future  
Tell me no more lies  
World, hold on, one day you will have to answer  
To the children of the sky
