

Hot Love, Cold World

Bob Welch

Now there is a way to say I love you
And it's said ev'ry day by some kind of fool
But where is the way to tell her goodbye
We both can't be wrong
I must be right

Hot love in a cold world
Gonna make you cry
Hot love in a cold world oh yeah

Our connection was strong I thought it would last
Dreams of the future not a care for the past
But look at us now
Not knowin' what to do
You're lookin' so sad
I feel so cruel

Hot love in a cold world oh yeah
Gonna make you cry
Hot love in a cold world
Gonna make you cry
But in this cold world with a hot love
You'll get by
Hot love in a cold world
Oh yeah, oh yeah, oh yeah
