Justine

Bob Welch

Well, she's made me dangerous Think i'm gonna cause myself some pain Because you said justine just a minute ago Well, please don't say that name

And if this world is really crazy Well, she has made me more insane I don't really care if she lives or she dies But please don't say that name

Justine Really had me yearning I never thought i'd ache like this

Well, justine wait a minute longer Baby please don't go like this Cause it's bad enough that i've got to contend with this world And ist evil ways She had everything that i wanted but she had no shame So please don't say that name

And if this world is goin?crazy Well, she has made me more insane Although i don't really care if she lives or she dies But please don't say that name
