

# Lose My Heart

**Bob Welch**

Friends and lovers have said it's true  
There's only one thing that loves more  
What I want to know, do I wait for you  
Or is it me that your waiting for?

You made me lose my heart  
You made me lose my heart  
You made me lose my heart  
But did you lose your heart to me?

Now, I wouldn't ask you to sacrifice  
The way that you live your life  
What I want to know, would you give your heart?  
Ah girl, I've given mine
