

500 Miles Away From Home

Bobby Bare

1. I'm five hundred miles away from home
Teardrops fell on mama's note,
when I read the things she wrote.
She said "We miss you son, we love you, come on home"
2. Well I didn't have to pack,
I had it all right on my back
Now I'm five hundred miles away from home
- R: Away from home, away from home
Cold and tired and all alone
Yes I'm five hundred miles away from home
- *: I know this is the same coat
I took when I left home
But it sure looks different now
And I guess I look different too
But time changes everything
I wonder what they'll say,
When they see their boy lookin' this way

Oh, I wonder what they'll say when I get home
3. Can't remember when I ate,
it's just thumb and walk and wait
And I'm still five hundred miles away from home
4. If my love had been just right,
I'd be with them all tonight
But I'm still five hundred miles away from home
- R: +
Oh, I'm still five hundred miles away from home
