

In the same old way

Bobby Bare

In the same old way I still love you
And the same foolish heart still beats for you
Nothing's changed about me since you walked out that day
And I still love you in the same old way.

In the same old way your mem'ries haunt me
But I know in my heart you'll never want me
Yes, you're gone but I still love you just like I did yesterday
Yes, I still love you in the same old way.

I guess I should feel better
But I never will
'Cause I still love you
And I can't change the way I feel.

In the same old way, I'm crazy 'bout you
But can't help wondering how I'm goin' to live without you
We've said our last goodbyes by now you're far so far away
And I still love in the same old way.

Yes, I still love in the same old way...
