Just the Other Side of Nowhere

Bobby Bare

I come from just the other side of nowhere to this big time lon esome town They got a lotta ice and snow here half as cold as all the peop le I found Every way I've tried to go here seems to bring me down And I seen about enough to know where I belong. I've got a mind to see the headlight Shinin' on that old white line between my heart and home Sick of spendin' Sundays wishing they were Mondays sittin' in a park alone So give my best to anyone who's left who's ever done me any lov in' way but wrong And tell 'em that the pride of just the other side of nowhere's going home. Taking nothing back to show there for these dues that I've paid But the soul I almost sold here and the body I've been given aw ay Fadin' from the neon night time glow here headin' for the light of day Just the other side of nowhere's going home. I've got a mind to see the headlight Shinin' on that old white line between my heart and home Sick of spendin' Sundays wishing they were Mondays sittin' in a park alone So give my best to anyone who's left who's ever done me any lov in' way but wrong And tell 'em that the pride of just the other side of nowhere's going home...
