Please Don't Tell Me How the Story Ends

Bobby Bare

This may be our last good night together We may never pass this way again Just let me enjoy it till it's over or forever Please don't tell me how the story ends.

See the way our shadows come together Softer than your fingers on my skin Someday these may be all we remember of each other Please don't tell me how the story ends.

Never's just the echo of forever Lonesome as the love that might have been Let me go on loving and believing till it's over Please don't tell me how the story ends.

Please don't tell me how the story ends...
