

## She Called Me Baby

**Bobby Bare**

She called me baby, baby, all night long  
Used to hold and kiss me till the dawn  
Then one day I awoke and she was gone  
Ah, there's no more baby, baby all night long.

Well she called me baby, baby, all night long  
Lift me up so high and made me strong  
Well, what I'd give if she'd just come back home  
And call me baby, baby all night long.

Yeah, she called me baby, baby, all night long  
Kissed my tears away when things went wrong  
But now each night in dreams just like a song  
I still hear baby, baby all night long.

But there's no more baby, baby, all night long...
