

Take Me Home To Mama

Bobby Bare

Won't you take me home to mama
She loves me and she'll keep me safe and warm
All I ask is take me home to mama
Please take me home to mama's arms.

Oh, greyhound bus I bet she could never guess
Where I got the money to buy this ticket home
Well, I tell you after years of tears and hard work today I made it
I reached bottom, I've begged on the street, that's all I got.

Won't you take me home to mama
She loves me and she'll keep me safe and warm
All I ask is take me home to mama
Please take me home to mama's arms.

I've lost many things in my life but today I lost my pride
So ol' greyhound take me home to mama I need some love inside
All I ask is take me home to mama
Please take me home to mama's arms...
