

Vincennes

Bobby Bare

Vincennes, Vincennes, Vincennes, Indiana
Vincennes, Vincennes, Vincennes, my hometown
I'm coming back, clear the track
I'm someone to someone in Vincennes, my hometown.

Have you ever known how lonesome it can be in the big city
Let me tell you friend it's lonesome
Everybody runnin' busy with the wrong affairs
There I was in a crowd lost and no one cares.

I've often heard if you wanna break to go
To the big city that's the place to start
But the only break I saw anybody get
In the heart of that city was a broken heart.

Vincennes, Vincennes, Vincennes, Indiana
Vincennes, Vincennes, Vincennes, my hometown
I'm coming back, clear the track
I'm someone to someone in Vincennes, my hometown...
