

## Call On Me

Bobby "Blue" Bland

Love and affection, a heart so true  
A-yours for the asking  
I've got it alright a-here for you

You needn't be lonely, you shouldn't be blue  
I'll design a life of love for you  
And here's all you've got to do

When you need a good loving  
When you need a good kissing  
When you need a good hugging  
Yeah, yeah, yeah, yeah  
Won't you call on me?

You can't live alone dear  
Your whole life through  
Everybody needs a future  
And I can see my future in you

When you need a good loving  
When you need a good kissing  
When you need a good hugging  
Yeah, yeah, yeah, yeah  
Won't you call on me?

You can't live alone dear  
Your whole life through  
Everybody has a future  
And I can see my future in you

When you need a good loving  
When you need a good kissing  
When you need a good loving, yeah, yeah  
Won't you call on me?  
Won't you call on me?
