

College Girl

Bobby Brown

Lady, please tell me
How you really feel
Deep inside your heart?
I hope that it's for real
I feel lonely
Do you wish that I was there?
There right by your side
Showing you I care

College girl
Won't you come over tonight
I want to make love to you
College girl
I can make it feel alright

Lately I've been thinkin'
'bout how we use to be
Something about your love
That makes my life complete
I've never met a girl
Can make me feel the way you do?
Girl, won't you come over
So I can do the things I wanna do

College girl
Won't you come over tonight
I want to make love to you
College girl
I can make it feel alright, yeah

College girl
Won't you come over tonight
I want to make love to you
College girl
I can make it feel alright

College girl, please let me know the deal
If you're for real about the love

College girl
Won't you come over tonight?
I want to make love to you
College girl
I can make it feel alright

College girl
Won't you come over tonight?
I want to make love to you
College girl
I can make it feel alright

College girl
Won't you come over tonight?
I want to make love to you
College girl
I can make it feel alright
