

# College Girl

Bobby Brown

Lady, please tell me  
How you really feel  
Deep inside your heart?  
I hope that it's for real  
I feel lonely  
Do you wish that I was there?  
There right by your side  
Showing you I care

College girl  
Won't you come over tonight  
I want to make love to you  
College girl  
I can make it feel alright

Lately I've been thinkin'  
'bout how we use to be  
Something about your love  
That makes my life complete  
I've never met a girl  
Can make me feel the way you do?  
Girl, won't you come over  
So I can do the things I wanna do

College girl  
Won't you come over tonight  
I want to make love to you  
College girl  
I can make it feel alright, yeah

College girl  
Won't you come over tonight  
I want to make love to you  
College girl  
I can make it feel alright

College girl, please let me know the deal  
If you're for real about the love

College girl  
Won't you come over tonight?  
I want to make love to you  
College girl  
I can make it feel alright

College girl  
Won't you come over tonight?  
I want to make love to you  
College girl  
I can make it feel alright

College girl  
Won't you come over tonight?  
I want to make love to you  
College girl  
I can make it feel alright
