

Roni

Bobby Brown

The truth about Roni
She's a sweet little girl
If you treat her right
Real nice and hold her tight

Only tender Ronis
Can give the special love
A special kind of love
That makes you feel good inside

If you believe in love
And all that it can do for you
Give it a chance, girl
You'll find romance

And if you find a tender Roni
That is right for you
Make it official
Give her your love

My heart, ooh, belongs to a Roni
(She's my only love)
She's my only love
(My only heart, baby)
My heart, yeah, belongs to a Roni
(She's my only love)
She's my only love

The truth about Roni
She's always on the phone
Talkin' to her homeboy
Wishin' they were home alone, ooh

She send you lovely letters
With the smell of sweet perfume
This is what a real tender Roni
Likes to do for you

And if you believe in love
And all that it can do for you
Give it a chance, girl
You'll find romance

And if you find a tender Roni
That is right for you
Make it official,
Give her your love, ooh, yeah
