She's my lady I found a lady and she's so fine My baby, she's got the flavors and she's all mine She keeps my lovin' when I'm not there I know she loves me and I know that she cares She's my lady, she drives me crazy, yeah She's my lady, there ain't no maybes She is the one who always stays right by my side And we love to make love each and every night They say in every life a little rain must fall But she takes away the clouds so there's no rain at all We don't care what people say about how we live it We've come too far, we won't give in to ignorance My baby promised me that she would leave me never She'll be my lady forever and ever She's my lady, she drives me crazy, yeah She's my lady, there ain't no maybes, no She is the woman I am always dreamin' of I just can't get enough, I love her so much that I I can't miss that, I'll never let her go In this case there's no maybe, she's my lady, yeah I'll keep on holding on, holding on, holding on Don't you know that she's mine, mine, mine My only love, I want to tell the world [Incomprehensible] Yes, she's right for me, she's all I need That girl is mine, all mine, all mine, all mine Yeah, that girl is all mine, all mine, all mine And I'm never gonna give her up That girl is mine, all mine, all mine She's my lady, she drives me crazy She's my lady, ain't no maybes She's my lady She's my lady, she drives me crazy She's my lady, ain't no maybes She's my lady

She's my lady

She's my lady, she drives me crazy She's my lady, ain't no maybes
