

## Something In Common

**Bobby Brown**

I know I may have made mistakes before  
But now I understand what those mistakes were for Throughout my  
travels girl I realized  
What you see, what you get don't always coincide  
A bird in the hand beats two in a bush  
But just one look was all it took  
Could it be that we're the only ones thinking of  
Harmony, ecstasy, there's something about this love

We, we have something in common  
Girl (Boy) you mean so much to me it should be plain to see That  
we... We have something in common  
It's the way we feel about each other when we're together

Now I'm the type of girl who understands my man  
I'll be strong when he's weak, I will hold his hand  
Now I believe old fashioned rules and old fashioned ways Courtesy,  
honesty, like in the old days  
You're my man and I'm your girl  
There's nothing better in this whole wide world  
I'll stand by your side till the very end  
All in all, best of love, we are friends

Bobby Brown: Girl you know it's you that I adore

Whitney: And there's no one in this world that I love more
