

# We're Back

**Bobby Brown**

We're here to make a change  
So all can be free  
A call has been made  
And we're back, we're back  
Oh, we're back

We're back, so start cuttin' up  
'Cause ain't nothin' up  
Pardon my expression  
But huh, you ain't tough enough

We're back, so start cuttin' up  
'Cause ain't nothin' up  
Pardon my expression  
But huh, you ain't tough enough

We're back, so start cuttin' up  
'Cause ain't nothin' up  
Pardon my expression  
But huh, you ain't tough enough

We're back, so start cuttin' up  
'Cause ain't nothin' up  
Pardon my expression  
But huh, you ain't tough enough

In fact you're timid, weak, soft, illiterate  
Call yourself a magician, I'm not kickin' it  
You're at the top of my list  
You're most wanted
