

Amy

Bobby Darin

Soft as the April snow
Amy
Lovely as indigo
You only kissed me
And paradise smiled
And the man was a child
And the wind was+ so wild.

Amy
Here's what I mean to say
Love me
If only for today
Let me know April and indigo blue
And let paradise smile for me, too.

Here's what I mean to say
Love me
If only for today
Let me know April and indigo blue
And let paradise smile for me, too.

Let me know April and indigo blue
And let paradise smile for me, too
