

## Black Sheep Boy

Bobby Darin

Here I am back home again  
I'm here to rest  
All they ask is where I've been  
Knowing I've been West

I'm the family's unowned boy  
Golden curls of envied hair  
Pretty girls with faces fair  
See the shine in the Black Sheep Boy

If you love me, let me live in peace  
Please understand  
That the black sheep can wear the golden fleece  
And hold a winning hand

I'm the family's unowned boy  
Golden curls of envied hair  
Pretty girls with faces fair  
See the shine in the Black Sheep Boy

I'm the family's unowned boy  
Golden curls of envied hair  
Pretty girls with faces fair  
See the shine in the Black Sheep Boy
