Dear Heart

Bobby Darin

Dear heart Wish you were here to warm this night My dear heart Seems like a year Since you've been out of my sight.

A single room A table for one It's a lonesome town all right

But soon I'll kiss you hello At our front door And dear heart I want you to know I'll leave your arms, nevermore

A single room A table for one It's a lonesome town all right

But soon I'll kiss you hello At our front door And dear heart I want you to know I'll leave your arms, nevermore
