

Hello, Dolly!

Bobby Darin

Hello, Dolly, well, hello, Dolly
It's so nice to have you back where you belong
You're lookin' swell, Dolly, and I can tell, Dolly
You still crowin', you still growin', you still goin' strong

I feel the room swayin', while the band's playin'
One of your old favorite songs from way back when
So, take her wrap fellas, find her an empty lap fellas
And Dolly will never go away again

I said hello, Dolly, well, what do you know, Dolly
It's so nice to have you back where you belong
You're lookin' swell, Dolly, and I can tell, Dolly
You're still crowin', you're still growin', you're still goin'
strong

Just feel that room swayin', 'cause the band's playin'
One of your old familiar songs from way back when
So, golly gee fellas, find her an empty knee fellas
And Dolly will never go away again

I mean hello, Dolly, what do you know, Dolly
It's so nice to have you back where you belong
And I can tell, Dolly, you're lookin' swell, swell, Dolly
Yeah, you're still crowin', you're still growin', you're still
goin' strong

Just feel that room swayin', while the band, it keeps on playin'
,
One of your old familiar songs from way back when
So, golly gee fellas, have a little faith in me, fellas
And Dolly will never go away again

Just feel that room swayin', while that band is playin'
One of your old familiar songs from way back when
So, golly gee fellas, find her a vacant knee fellas
Dolly, never go away, promise, you'll never go away
Dolly will never go away again

Look out, old Dolly is back
