How About Me

Bobby Darin

It's over, all over And soon somebody else Will make a fuss about you But how about me?

It's over, all over
And soon somebody else
Will tell his friends about you
But how about me?

You'll find somebody new But what am I to do?
I'll still remember you When you have forgotten

And maybe, a little baby Will climb upon your knee
And put it's tiny arms around you But how about me?
How about me?
