

# Hush, Somebody's Callin' My Name

Bobby Darin

Hush, hush  
Somebody's calling my name  
Hush, hush  
Somebody's calling my name

I hear a voice so sweet an' clear  
Calling me angel an' a honey dear  
Well, whoa-ho, hush, hush  
Whoa-ho, hush, hush  
Whoa-ho, hush, hush  
Somebody's calling my name

Hush, I say hush  
Somebody's calling my name  
Whoa-o-o, won't you hush  
Somebody's calling my name

If it's the girl I've been searching for  
I'll tell the world I won't-a search no more  
Now, whoa-ho hush, hush  
Whoa-ho hush, hush  
Whoa-ho hush, hush  
Somebody's calling my name

Well, talk to my mother wouldn't do me no good  
Talk to my brother wouldn't do me no good  
I talked to the gypsy and she said, Rejoice  
You'll know your lover by the sound of his voice

So hush, I say hush  
Somebody's calling my name  
Whoa now listen, won't you hush  
Somebody's calling my name

I see my baby up on a hill  
I love her now and I always will  
So whoa-ho hush, hush  
Whoa-ho hush, hush  
Whoa-ho hush, hush  
Somebody's calling my name, yeah

Somebody's calling my name, yeah  
Somebody's calling my name, yeah  
Somebody's calling my name
