

# I Got a Woman

Bobby Darin

Ohoho, sometimes  
Sometimes I get a little worried  
Oh, but I wanna tell you it's alright now  
Yes, it's alright, because

I got a woman way over town  
She's good to me, yes, I have now  
I got a woman way over town  
She's good to me, oho yeah!

She gives me money when I'm in need  
Oh, she's a kind of friend indeed  
Yes, I got a woman, way over town  
She's good to me, yes, I have

She saves her loving early in the morning  
Just for me, oho, yeah  
She saves her loving early in the morning  
Just for me, oho, yeah

She saves her loving, oh, just for me  
She's loving, oh, so tenderly  
But I got a woman, way over town  
Don't you know she's good to me, oho, yeah!

She's there to love me both day and night  
Never grumbles or fusses, always treats me right  
Never running in the streets and leaving me alone  
She knows her place now, right there, now here

I got a woman, way over town  
That's good to me, oh yes, I have  
See, I got a woman, way over town  
Good to me, oho, yeah

But she's my baby, don't you understand  
Yeah, yeah, and I'm her good loving man  
But I got a woman, way over town  
She's good to me, oho, yes I have

Don't you know she's all right, she's all right  
She's all right, she's all right  
She's all right, she's all right  
She's all right, right now, she's all right, right now

She's all right, right now, all right, right now  
All right, she's all right  
She's all right, she's all right  
She's all right, yeah, she's all right

She's all right, she's all right  
She's all right, she's all right  
She's all right, oh, she's all right  
She's all right, she's all right

But she's all right, she's all right  
She's all right, she's all right

She's all right, sometimes I feel  
Sometimes I feel, sometimes I feel

Sometimes I feel, yeah, I feel  
You know she's all right  
I feel all right, I feel all right  
I feel all right, I feel all right

I feel all right, I feel all right  
I feel all right

And I feel all good, feel good inside  
You know I feel, you know I feel  
Sometimes I feel, you know I feel  
Yeah, I feel, you know I feel

Yeah, I feel, yes, I feel  
Sometimes I feel, you know I feel  
'Cause I feel she's all pleasin'

All right, she's all right  
She's all right, she's all right  
Gonna be all right, gonna be all right  
Gonna be all right, gonna be all right

She's gonna be all right, she's gonna be all right  
She's gonna be all right, she's gonna be all right  
She's gonna be all right, she's gonna be  
She's gonna be, she's gonna be

Gonna be, yes, she's gonna be, yes  
She's gonna be, yes, she's gonna be  
She's gonna be all right

But she's all right, she's all right  
But she's all right, she's all right, right now  
She's all right, right now, she's all right, right now

I feel all right, I feel all right  
I never felt better, I feel all right  
You know, I feel so good, I feel good  
I feel so good, I feel so good

Yeah!  
I feel good, I feel good  
I'm feelin' good, I feel so good

I feel so good now, yeah, I feel so good now, yeah  
I feel so good now, yeah, I feel so good now, yeah  
I feel so good, so good, so good, so good, so good

I feel so good, I feel good  
I feel good, I feel good  
You know I feel good, I feel good  
I feel good, I feel good

I feel good, I feel good  
I feel good, I feel good  
I feel good, I feel good  
I feel good, I feel good
